Subject: Reminder: Update your expired card information for PayPal

PayPal

Your MasterCard expired in your PayPal account

Dear Ehud Barak,

We noticed your MasterCard ending in 4828 has expired. Because it's the only payment method in your account, it may limit your ability to use PayPal until you update the card information.

Please update your card's expiration date and card security code (CSC) as soon as possible.

Update card details

You can always add a new card, too.

Sincerely,
PayPal
